Summary

Protecting You Protecting Me (PYPM) is a research-based alcohol-use prevention curriculum for elementary students designed to reduce alcohol-related injury and death in our nation's youth. The curriculum is proven to enhance students' knowledge about their brains and personal development; improves elementary students' vehicle safety skills, including their ability to protect themselves when they have no option but to ride with an adult who is not alcohol-free; incorporates the latest research on human brain development; focuses on the immediate risks of using alcohol before age 21; includes parental involvement activities.

Learning Objectives

1. Encourage self-confidence and self-esteem and learning to make good choices.
2. Teach youth to resist pressures to use alcohol.
3. Promote useful alternatives for dealing with problems.
